1. About PhotoStudioAI

PhotoStudioAI is a trading name of **Mariusz Janowicz**, based in Bradford, UK.

We provide online photo editing and AI-assisted portrait retouching services, operating exclusively online.

Contact: contactphotostudioai@gmail.com

2. Our Services

We edit and enhance photos that you upload or send to us. We do not take original photographs ourselves — we work only on files you provide.

Results are delivered digitally (for example by email, download link or messaging app).

AI-assisted tools: Our editing process may involve the use of AI-assisted tools as part of the retouching and enhancement workflow. All results are reviewed and hand-finished by a human specialist before delivery.

3. Your Responsibilities

By sending us a photo, you confirm that:

- you own the copyright in the photo or have written permission from the copyright owner to submit it for editing;
- the photo does not break any law (for example, content involving hate, abuse, illegal material, or copyright infringement);
- if the photo shows other people, you have their permission to share it with us for editing purposes.

You agree that you are solely responsible for any claims from third parties arising from a breach of the above.

4. Cancellation and Your Right to Cancel

Under the **Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013**, you have the right to cancel your order within 14 days of placing it, without giving a reason.

However, because our services are custom digital services, if you request that we begin work immediately (which we will confirm by starting the editing process), you acknowledge that your right to cancel is lost once the service has been fully performed.

If work has begun but is not yet complete, a partial refund may be offered at our discretion, proportionate to the work not yet carried out.

To exercise your right to cancel before work begins, please contact us at contactphotostudioai@gmail.com.

5. Payments and Pricing

Our prices are shown on PhotoStudioAI.uk or agreed in writing (for example by email or message) before work begins.

Payment is normally required in advance, using the methods we accept (for example PayPal or bank transfer).

Because our work is a custom digital service, once we have delivered the edited file, refunds are not normally available — except as set out in section 4 above or where required by law.

If you are unhappy with the result, please contact us within 7 days of delivery and we will try to offer a reasonable fix or adjustment.

6. Delivery Times

We will provide an estimated delivery time before we begin work. This is an estimate only.

We are not responsible for delays caused by technical problems, email filters, or circumstances outside our control.

If we are unable to complete the work, we will cancel the order and refund any payment made for that specific job in full.

7. Intellectual Property and Licence

You retain full copyright in your original photograph.

Upon receipt of full payment, we grant you a **non-exclusive, perpetual licence** to use the edited image for your personal and/or commercial purposes, unless otherwise agreed in writing.

Where AI-assisted tools have been used in producing the edited image, we make no warranty as to the ownership of any AI-generated elements within the final image, as the legal position regarding AI-generated works remains subject to development under UK law. We recommend you seek independent legal advice if commercial exploitation of the image at scale is intended.

You may not represent that you personally created the editing work, or resell our editing services as your own.

8. Portfolio and Social Media

We will only use your edited photos in our portfolio, website, or social media if you have clearly given us permission (for example by ticking a consent box or confirming in writing).

You may withdraw this permission at any time by contacting us. Following withdrawal, we will stop using your image in new materials and will remove it from our own channels where reasonably practicable.

9. Data Storage and File Retention

We store your files only for as long as necessary to complete the work and deal with any follow-up queries.

Unless otherwise agreed, we aim to delete your original and edited files within 30 days after final delivery. Backup copies may persist for a short additional technical period before being overwritten.

10. Limitation of Liability

To the maximum extent permitted by law, our total liability to you for any claim arising out of or in connection with our services is limited to the total amount you paid us for the specific job to which the claim relates.

We are not liable for any indirect or consequential loss, including but not limited to lost profits, lost opportunities, or loss of reputation.

Nothing in these Terms limits our liability for death or personal injury caused by our negligence, or for fraud or fraudulent misrepresentation.

11. Changes to These Terms

We may update these Terms from time to time. The version that applies to your order is the version published on PhotoStudioAI.uk at the time you place your order, or the version we send you in writing at that time.

12. Governing Law

These Terms are governed by the laws of England and Wales. Any disputes will be subject to the exclusive jurisdiction of the courts of England and Wales.
